

## Shy Kid

Krokus

It's a lonely evening  
In a lonely town  
I ain't too old to cry, now  
But a woman gets me down

Way down in Boston  
They sent me right away  
Way down in Memphis  
I know I'm gonna say

She's a shy kid, shy kid, shy kid, shy kid, yeah  
She's a shy kid, shy kid, shy kid, shy kid, yeah

I got an empty bottle  
And an empty face  
I ain't too young to see  
I'm just some rock and roll man

She's a shy kid, shy kid, shy kid, shy kid, yeah  
She's a shy kid, shy kid, shy kid, shy kid, yeah

She's a shy kid, shy kid, shy kid, shy kid, yeah  
She's a shy kid, shy kid, shy kid, shy kid, yeah  
She's a shy kid, shy kid, shy kid, shy kid, yeah  
She's a shy kid, shy kid, shy kid, shy kid, yeah
