Shy Kid

It's a lonely evening In a lonely town I ain't too old to cry, now But a woman gets me down

Way down in Boston They sent me right away Way down in Memphis I know I'm gonna say

She's a shy kid, shy kid, shy kid, shy kid, yeah She's a shy kid, shy kid, shy kid, shy kid, yeah

I got an empty bottle And an empty face I ain't too young to see I'm just some rock and roll man

She's a shy kid, shy kid, shy kid, shy kid, yeah She's a shy kid, shy kid, shy kid, shy kid, yeah She's a shy kid, shy kid, shy kid, shy kid, yeah She's a shy kid, shy kid, shy kid, shy kid, yeah She's a shy kid, shy kid, shy kid, shy kid, yeah

She's a shy kid, shy kid, shy kid, yeah
