Stop scheming!  
What more can I say?  
Stop scheming!

What more can I say?  
Stop scheming! [Repeat: x 4]

Stop scheming!

What more can I say?

Yo I'm, I'm here to see a friend  
He came here last night about 12:10  
The charge? Well he killed his girlfriend  
Huh? Fill this out - yo you got a pen?  
What time did I come in?

Yes, yeah I'll follow you  
Oh there he go - yo what's up? Man you went out yo!  
Yo how you shruggin' your shoulders?  
You lookin' at double life here soldier!

Tell me what was on your mind  
You should've thought a second time  
Now you gotta leave your dreams behind  
For life.. What more can I say? - Stop scheming!

See that's what I'm sayin', you gots to change your attitude G  
Listen to me, the judge seein your case is a thirty-three degree  
Maybe you can find your pops, a thirty-three degree  
And see if you can be free by no later than three

Yo why you lookin' at me like that? What you mean it's whack?  
You got a six figure bail and not a dime in the sack  
See I told you, one day you'd caught her last time creepin'  
You should a just let her go but you couldn't stop schemin'

Should a just walked away, walked away  
Walked away..  
Now they got you locked away, locked away  
Locked away.. {What more can I say?} [Repeat: x 2]

The fact that you get one time for premeditated murder?  
Um, don't argue man just yesterday y'all were kissin' and huggin'  
What you lost your temper or somethin'?

You should always think first!

Now they got you locked away, locked away, locked away
