Take Your Tyme

Y'all don't know? Y'all don't know your body is a temple? A temple to the living God? Don't get gassed y'all All my sisters out there, here's the truth You, a you've got to.. {TAKE.. YOUR.. TIME} Look, look!

You don't want no unsteady relationships, you want it tight You don't want no man beggin and always gonna get, am I right? You don't want no man sleepin cheatin freakin behind his wife There's no such thing as make love, it's really make life I don't care what nobody say; you sleep with a man, that's your husband So make sure, before you lay down, you love him And learn him, yes it's still sacred to be a virgin Relax, it's curiosity that always burns 'em in fact Sex is like candy, be disciplined, no splurgin You don't want your stomach hurtin Girl, you gotta.. {TAKE.. YOUR.. TIME} Listen!

Cash is an issue with that he can never diss you Even if he makes you cry, you bought your own tissue witcha own case, witcha own hand, wipe ya own face And throw him out, no doubt, out of your own place If your heart is broken you can mend it If you're independent, your womanhood, that's when you defend it Just.. uhh, just {TAKE.. YOUR.. TIME} woo! Look!

{TAKE.. YOUR.. TIME}

Don't come witcha hand always out If he buys you somethin thank him, but that's not what a man is about Real men are real friends, showin their real commitment He tells you he really loves you, a boy can't really admit it If a man really wants you, that man really flaunts you In public or private a real man really supports you 'Member what Guru taught you? Of course you "Royalty" You dress how you like when a QUEEN is what you ought to be and ought to act like, and also ought to manifest How you dress makes you constantly blessed, or constantly stressed {TAKE.. YOUR.. TIME} Yo!

{TAKE.. YOUR.. TIME}

Yo, yo So while you burnin off those calories, think about reality Get a skill for the salary, a man for the family Not a boy, that's a catastrophe, don't get mad at me Instead of always clubbin visit museums and art galleries Pick the single man, admirin the ancient sculpture He's cultured, chances are he won't insult ya Give him your number only after you know what he does Ask him what it is, not what it was You want the good life (GOOD LIFE) You want the good life (GOOD LIFE) You want the, you want the, you want the C^{KMON}, YOU gotta {TAKE.. YOUR.. TIME}
