Where the real at! Where the real at! Yeah!

Yο

Where I come from gats bust for nothin'
Thugs, ministers, cops, teachers, all be hustlin'
Your family's the only one ya trustin'
Clubs be jumpin', redesigned cars be bumpin'
Now there's ranks supreme KRS is a free man
In Hip-Hop culture, I'm like Allen Greenspan
I tell the culture what's hot and what's not
Now look who's on top and look whose shit just dropped
We ain't about sellin' records, we ain't music merchants
We emcees we go straight to the club and hurt shit
