Kryoburn

i will never be what you saw in me

tell your lies now  
i'm the one you hate  
that i beat you down  
you dont decide my fate  
forced into your game  
you suffocate me  
hide your nameless shame  
why wont you ever let it be ?

long i await  
to feel your pain

i was never what you thought i was

no one will ever know  
the lie you told her  
keep it in your heart  
and never show her  
the truth inside  
you know you caused me  
a pain to hide  
why wont you ever set me free ?  
move on  
forget the past  
move on nothing ever lasts

and you still want me dead...
