

Always and Forever

Krypteria

will the sun rise again, will the morning come
will there be another day before we come undone
Krypteria will we set sail again or is this our last stand
ALWAYS will tomorrow smile on us or have we reached the end
AND

who knows ?
but this I know for sure
they can't take that away from me
FOREVER my memories of you will live

always and forever
aeternitas veniat
Songtexte aeternitas coniunctionis
always and forever
aeternitas veniat
aeternitas sponsonis
amor vero sicut est anulus, finem non habet
Songtext always

will the moon shine on us, will she be our guide
Lyrics will we find a way to slow the flowing sands of time
Lyric will we see the light of day or must we say farewell
Liedertexte will tomorrow smile on us or are we bound to fail
