

Time to Bring the Pain

Krypteria

Me the hunter you the prey I got you in my sight
Licking my chops the wait is over and the time's just right to
strike
Let's go no more toying around let's go

Time for me to bring the pain - venatrix approinquit
Time to teach you bout the feeling when your hearts being rippe
d out
Time for me to bring the pain - venatrix approinquit
Time to finish what you started in the past here right now

I am quickly closing in on you I'' put an end to this affair
And you won't have a clue what hit you I am already there
Let's go no more toying around let's go

Time for me to bring the pain - venatrix approinquit
Time to teach you bout the feeling when your hearts being rippe
d out
Time for me to bring the pain - venatrix approinquit
Time to finish what you started in the past here right now

Idcirco ecce ego extendam manum meam super te et tradem te in d
ireptionem gentium
Et interficiam te de popilis et perdam de terris et conteram

Let's go no more toying around let's go

Time for me to bring the pain - venatrix approinquit
Time to teach you bout the feeling when your hearts being rippe
d out
Time for me to bring the pain - venatrix approinquit
Time to finish what you started in the past here right now

How do you feel now that you feel the pain that you made me fee
