

# You'll Never Know

Krystal Meyers

Shattered dreams are misunderstood  
They left me stranded like I knew they would  
All this pain's changing into good  
'Cause you got me  
You got me  
Now you're the only one that I adore  
'Cause everybody else has fallen short  
I know you'd never leave me wanting more  
Some come on  
Come on

Don't stop telling me  
You'll never know  
The way it feels to be let go  
The tragedy of being so alone  
A distant memory  
My heart is telling me  
That's just something  
You'll never know  
Ooooooooo

I get the feeling now that You are here  
You love is something that won't disappear  
Whisper to me while You hold me near  
You got me  
You got me

Don't stop telling me  
You'll never know  
The way it feels to be let go  
The tragedy of being so alone  
A distant memory  
My heart is telling me  
That's just something  
You'll never know  
Ooooooooo  
You'll never know  
Ooooooooo

Over and over and over again  
Tell me  
Over and over again

Don't stop telling me  
You'll never know  
The way it feels to be let go  
The tragedy of being so alone  
A distant memory  
My heart is telling me  
That's just something  
You'll never know  
Ooooooooo  
You'll never know  
Ooooooooo  
You'll never know  
Ooooooooo  
You'll never know

Ooooooo
