

2 Guitars Bass And A Drum

KSM

Keep it easy, make it simple
No overdubs, just a fat beat
Why confuse the...the situation
Break it down to...to the basics
I don't need the fancy things in life to make me
Satisfied, no not at all
Just give me...

Chorus:

2 guitars, bass and a drum
You know it's all I really want
Keep it just a little punk
Play too fast and crank it
Start too loud then turn it up

Why analyze, I'd rather say it
Bought a black Strat, I wanna play it
I'm a simple girl, I don't do games
I'm all about the song and not about the fame
I don't need the fancy things in life to make me
Satisfied, no not at all
Just give me...

Chorus:

2 guitars, bass and a drum
You know it's all I really want
Keep it just a little punk
Play too fast and crank it
Start too loud then turn it up

That's the way we like it
Gotta overdrive it
Yeah, we're gonna build it up to break it down
Two guitars
Bass
Drums
Crank it!
Just give me...
Two guitars, bass, and a drum
You know it's all I really want
Keep it just a little punk
Play too fast
Just give me...

Chorus:

2 guitars, bass and a drum
You know it's all I really want
Keep it just a little punk
Play too fast and crank it
Start too loud then turn it up
