

Don't Rain On My Parade

KSM

It's summer time all of the time
That's just my point of view here
Some try to mess with my vibe
I got no problems already sold them
Ohh don't bring me down cause it's it's all good
Don't like the stormy weather
Ohh don't bring me down cause it's all good
Don't like the stormy weather
Ohh don't bring me down
I'm not gonna go there
Don't rain on my parade don't break my holiday
I won't let the clouds get in my way no
Just wanna have some fun
I'm not the only one
Everything is going so good today
Don't rain on my parade
Ohh yeah
If people stare at the blond in my hair
Why let it bother me
Say what you like I don't really care
I'm doin' just fine
Me in the sunshine
Ohh don't bring me down
Cause it's all good
Don't like the the stormy weather
Ohh don't bring me down
I'm not gonna go there
Don't rain on my parade
Don't break my holiday
I won't let the clouds get in my way no
Just wanna have some fun
I'm not the only one
Everything is goin so good today
Don't rain on my parade
Can't take my
My sunshine even if they try
It's just a waste of time
Can't suade me
Or phase me
I know it drives me crazy
Whatchin me havin such a good time
Ohh don't bring me down
When everythings alright
Don't rain on my parade
Don't break my holiday
I won't let the clouds get in my way no
Just wanna have some fun
I'm not the only one
Everything is going so good today
Don't rain on my parade
Don't rain on my
On my parade
Rain, rain go away hey, hey
Don't rain on my parade
Don't matter
Such a gorgeous day
Don't rain on my parade
