

# Slow Motion

KSM

Textin' my friends  
Gotta get the day planned  
Get up on my feet  
Places to go, people to see  
Kick it at the mall  
Get to rehearsal  
Jam some new tunes  
I gotta run, so much to do  
I like my world spinning just a little too fast  
But now I'm in a classroom twirling my hair  
Just waiting for the time to pass  
Stuck in...

Chorus:  
Slow motion  
Watching time go by  
Minutes feel like hours  
No end in sight  
Slow motion  
Taking me over  
I don't wanna chill, how can I sit still  
When I know the world is waiting

11 missed calls  
Another shade of lip gloss  
Record a new song  
Color my hair  
Answer the phone  
He's askin' me out  
I'll have to think about it  
Now I'm running late  
I gotta rush, no time to waste  
I like my world spinning just a little too fast  
But now I'm on the freeway doin' 15  
In the middle of a traffic jam  
Stuck in...

Chorus:  
Slow motion  
Watching time go by  
Minutes feel like hours  
No end in sight  
Slow motion  
Taking me over  
I don't wanna chill, how can I sit still  
When I know the world is waiting

Look ahead 'cause that's where you'll find me  
You know I get bored easy  
Too much to do to do nothing  
I'm always in a rush to do something  
We get all dressed up, show up at the club  
The line's around the block and we're stuck in

Chorus:  
Slow motion  
Watching time go by

Minutes feel like hours  
No end in sight  
Slow motion  
Taking me over  
I don't wanna chill, how can I sit still  
When I know the world is waiting

Slow motion  
Watching time go by  
Minutes feel like hours  
No end in sight  
Slow motion  
Taking me over  
I don't wanna chill, how can I sit still  
When I'm goin' a little stir crazy  
How can I slow down, I don't really know how  
When I know the world is waiting
