Hopeless

Everybody says it's just another decay of the soul  
But I know I'm a hopeless follower of anything  
To take me away from this hole in the ground

I found it hopeless clinging to a feeling  
Like a fish on a line  
It's sublime to find it lately hopeless  
No more saying there is no more time

I've was trying far too hard  
To be what I thought I should be  
I was playing wild cards  
And seeing things that weren't in front of me  
Like a little tiger play fighting  
I was hurting myself again and again

Because I'm hopeless  
Everybody says it's just another decay of the soul  
But I know I'm a hopeless follower of anything  
To take me away from this hole in the ground

I found it hopeless clinging to a feeling  
Like a fish on a line  
It's sublime to find it lately hopeless  
No more saying there is no more time  
There is no more time

Well, I'm just discovering I'm living in a different body  
Got a little insight into everything that's happening to me  
Like a little spider I'm climbing the insurmountable  
But I never hold myself accountable, no

Because I'm hopeless, everybody says I'm hopeless  
But I got a bit of hopelessness  
Oh, and you can never bring me down  
Even though I've got some solid ground  
Oh, because I love it so and I think you should know

That I'm hopeless  
Everybody says it's just another decay of the soul  
But I know I'm a hopeless follower of anything  
To take me away from this hole in the ground

I found it hopeless clinging to a feeling  
Like a fish on a line  
It's sublime to find it lately hopeless, hopeless, hopeless  
No more saying there is no more time
