

# Human Being

Kt Tunstall

I wanna be everything for you all the time  
But I'm just a Human Being  
I'm just a Human Being

Step into this room where I like  
To hide away  
Any day now I will find my  
Many worlds collide  
Until then I know we have time  
And I want you in my room tonight

Nothing's ever perfect  
There's a shadow side  
But I believe that it's worth it  
Yeah, the trust will be justified

I wanna be everything for you all the time  
But I'm just a Human Being  
Everything for you all the time  
But I'm just a Human Being  
Yeah I wanna see  
If it truly satisfies you  
Now you know that I'm just a Human Being  
I'm just a Human Being

Could it be that we are part of  
Something supernatural  
Where's the problem when there's someone  
You come to rely on  
I can see that you got that ache  
So let the feeling overtake

We're just flesh and blood  
But not for long

I wanna be everything for you all the time  
But I'm just a Human Being  
Everything for you all the time  
But I'm just a Human Being  
Yeah I wanna see  
If it truly satisfies you  
Now you know that I'm just a Human Being  
I'm just a Human Being
