

# Love Is an Ocean

Kt Tunstall

Limited time on my mind  
Slipping through days  
Staring at where I planted seed  
Gotta get this within my grasp  
I won't get if I don't ask  
And certainly won't receive  
The spirit is altogether expectant  
Of a transformation  
A fascinating snap into a  
Beautiful state of acceptance  
Of the idea that  
Of the idea that

Love is an ocean  
I'm just a drop in the sea  
It's easy to forget it  
But I'm not gonna let that happen to me

Thinking of all the things I did  
Look at me now  
I'm still lifting off the lid  
But I've sung about all this before  
I'm still kneeling on the floor  
Asking how do I forgive  
And graduate the hate into splendour  
Oh alchemy of architecture showing me  
That bitterness can become ascendant  
With the idea that  
With the idea that

Love is an ocean  
I'm just a drop in the sea  
It's easy to forget it  
But I'm not gonna let that happen to me

I'm never, never gonna let it  
Never let it happen  
To me  
No I'm never, never gonna let it  
Never let it happen  
To me

Love is an ocean  
I'm just a drop in the sea  
It's easy to forget it  
But I'm not gonna let that happen to me

Love is an ocean  
I'm just a drop in the sea  
It's easy to forget it  
But I'm not gonna let that happen to me
