

## Silent Sea

Kt Tunstall

I was happy in my harbor  
When you cut me loose  
Floating on an ocean  
And confused  
Winds are whipping waves up  
Like sky scrapers  
And the harder they hit me  
The less I seem to bruise

Oh when I  
Find the controls  
I'll go where I like  
I'll know where I want to be  
But maybe for now  
I'll stay right here  
On a silent sea  
On a silent sea

I was happy in my harbor  
When you cut me loose  
Floating on an ocean  
And confused  
Winds are whipping waves up  
Like sky scrapers  
And the harder they hit me  
The less I seem to bruise

Oh when I  
Find the controls  
I'll go where I like  
I'll know where I want to be  
But maybe for now  
I'll stay right here  
On a silent sea  
On a silent sea

I'll stay right here  
On a silent sea  
On a silent sea

Oh when I  
Find the controls  
I'll go where I like  
I'll know where I want to be  
But maybe for now  
I'll stay right here  
On a silent sea
