

# The River

Kt Tunstall

I'm holding on  
To something I don't want  
To hold on to  
I'm reaching out  
For something I can't touch  
Although I know I want to

Taking in the scenery  
You're the ghost in my machinery  
When I was good as gold  
I was good as gold  
Closing off the avenues  
To places that I never knew  
And know I'll never know  
Now I'll never go

I listen  
And I hear you speak  
Am I missing something?  
I want to jump into the river  
Feel it on my skin  
But the river is rocks  
And I'm already lost  
And I know where I've been  
Oh I know where I've been

I feel I'm caught  
In a beautiful  
Dream  
And I'm cold  
And my heart has told me  
It's a dark seam

Running through the middle of  
A life that's full of real love  
And everything is mine  
Everything is mine

I listen  
And I hear you speak  
Am I missing something?  
I want to jump into the river  
Feel it on my skin  
But the river is rocks  
And I'm already lost  
And I know where I've been

Oh  
I listen  
And I hear you speak  
Am I missing something?  
I want to jump into the river  
Feel it on my skin  
But the river is rocks  
And I'm already lost  
And I know where I've been  
Oh I know where I've been

Yes I know where I've been
