

Don't call, don't come around
She said to me
For I have seen both sides of your soul now and it's all I need
to see
So I hide myself away to avoid this bitter taste

Bitch
You Bitch

Don't fall I won't be there
Now that you're free
No matter how hard I try now
It just wasn't meant to be
And I won't communicate
It isn't worth the hate

Bitch
You Bitch

Bitch
You Bitch

Don't call, don't come around
