

Remain

Kubb

Here's to the future
Forget about your past
Here's to the man whose life is just a gas
Here's to your sorrow
Oh I'll drink to that
Here's to the lost who have found their way back

Oh as it all begins to fade
I still remain, I still remain

Here's to the father who drowned in a glass
Here's to the teacher who said I wouldn't pass
Here's to the living
And here's to the damned
Here's to the man whose out there making plans

Oh as it all begins to fade
I still remain, I still remain

Remain,
Oh as it all begins to fade
I still remain
