If you won't set me free  
I'll have to ride on my own  
If you won't let me be  
I'll have to find my way home

Well the minutes that are getting faster  
Push me closer to the edge  
Aah....  
Aah....

I'm not a photograph  
I've got a mind of my own  
If you won't set me free  
I'll have to find my way home  
Aah....  
Aah....  
Aah....
