

# Great Hosannah

Kula Shaker

If we stand here together  
And we see the world as one  
We may think there's no future  
But it's the same for everyone.  
It's like the world has lost its head  
And it's like all the prophets said,  
But will we arise to a new world.

If we stand here together  
We can laugh at what we've done  
All our time has been wasted  
And there's nowhere left to run.  
There may be trouble up ahead  
Will we be sleeping in our beds  
Or will we arise to a new world.

Look for signs and portents  
I'm looking for a reason to believe

Will we arise in our time  
At the dawn of another meaning  
Will we awake at the break of a  
Great hosannah  
Well if there's nothing left to do,  
Just hold your breath and hope it's true  
That will we arise to a new world.

Look for signs and portents  
There's got to be a reason to believe

Will we arise in our time...
