

To Wait Till I Come

Kula Shaker

Will my true love wait?
Till I come?
Will my true love wait?
Till I come?
Tell my darling I'm travelling her way
Tell her to wait till I come.

Will my true love wait, in a tower?
Will my true love wait, in a tower?
If I rest my head in this place
'neath the shady bower.

Tell my darling, I've loved her so long
O tell her to wait till I come.
