It was a good and lovely breezy afternoon  
How does it feel when you got no food?  
You could feel it cuz it was the month of june  
How does it feel when you got no food?  
So i left my gate and went out for a walk  
How does it feel when you got no food?  
As i pass the dreadlocks camp i heard them say

I said  
Pass the dutchie upon the left hand side  
Pass the dutchie upon the left hand side  
It gonna burn  
Give the music make me jump and prance

So i stop to find out wat it was going on  
How does it feel when you got no food?  
It was the spirit of Jah' and you know he leads you on  
How does it feel when you got no food?  
It was a week of dreads and the sessions were there and sweet  
How does it feel when you got no food?  
You could feel the chill as i seen and heard them say

I said  
Pass the dutchie upon the left hand side

Cuz me say listen to the beat  
Give me a little music make me wind up my waist  
Cuz me say listen to the drummer
