

Together

Kumbia Kings

Babee Power, Roger (together baby)
Let me get some flavor
Kumbia Kings...
This is for the ladies

Oh yo, baby girl
I got to let you know my purpose in this world
And them hater chicks
They got nothing on you
The love I feel inside
Is like all for you

Oh we could be on a desert
Lost without a place to go (hello mamma mamma quiero ser tu dadada)
But we're so in love
In love with each other
That we wouldn't even know
I don't care any place, anywhere
Just as long as you are there, baby baby

Together, together baby
Together, together baby
Together, baby (baby) just you and me
How happy we'll be
My beautiful bezzlehub

When I'm all alone
My good loving's on the phone
With a sweet voice
She make a brother wanna zone
And whatcha talking about sonny
I ain't got much money
But my girl roll with me when I'm lavished

Oh we could be in poverty
No one to lend a helping hand
But it's alright, alright I know
Because you'll always understand
(oh oh oh i) I don't care any place, anywhere
Just as long as you're there, baby baby

Together, together baby
Together, together baby
Together, baby baby just you and me
How happy we'll be
My beautiful bezzlehub

It's like love to find
You and I combined
You the moon, I'm the son
Girl we gon' shine
Let's get it on baby
I waited for this
Baby girl you got me shaking when I feel your kiss

Together, together baby
Together, together baby

Together, baby baby just you and me
How happy we'll be
Hello mama mama quiero ser tu dadda dadda

You drown me with your love
Kill me with your hugs
If I act up tell me to go sleep on the rug
Let's me a toast, it goes
Juntos para siempre, together forever
Let's reminisce of all them things we did together

I remember, oh
When we used to play shoot em up, shoot em up
Bang, bang baby
Remember
When we used to play shoot em up, shoot em up
Bang, bang baby

Together, together baby
Together, together baby
Together, baby baby just you and me
How happy we'll be
My beautiful bezzlehub

Together let's stay together..
