

Drop The Bomb

Kurhaus

no more racist scum and fascist pigs - drop the bomb!
your narrow minds make me sick - drop the bomb!
no judge, no court, no trial, just us and our justice named mol
otov
dial 88 for hate - drop the bomb!
hitler junkies, f**k you - drop the bomb!
burn down piccadilly shop, burn down club 88

in our scene there is no place for you
in this world there is no need for you
good night white pride!

f**k you racial prejudices - drop the bomb!
your anti-semitism - drop the bomb!
nazis in bomber jackets or in suits, we'll find'em, give'em the
boot
one bullet, one racist - drop the bomb!
grind their f**king faces - drop the bomb!
forever antiracist
forever antifascist
