

## (This Is) No Entertainment

Kurhaus

what do i stand here for?  
what do you expect?  
you want a master plan?  
a call to arms? a manifesto?

no, you'll get nothing like this  
it's just my trying to act my anger

my anger - not the revolution  
my inner struggle - not yours  
(laughing, crying, screaming)  
my anger - not the revolution  
my war - not the world's  
(smiling, dancing, fighting)

i just try to express my feelings  
i don't care what you say, i just try to express my feelings  
our hearts don't beat 1, 2, 3, 4  
hardcore ? honesty ? expression of feelings

sometimes all this feels so senseless  
like standing on stage, entertaining a crowd  
that has come to dance and doesn't give a f\*\*k  
about what we really feel about our songs  
this is no entertainment!  
this means so damn much to us

emotion is life  
we need more love songs in hardcore
