

Reign

Kurt Carr

You are greater than the universe
More powerful than the sea
You are fairer than ten thousand
No one compares to Thee

The omnipotent Sovereign
Stronger than a million men
Your kingdom
Glorious
Victorious
Will never ever end

[Chorus:]
Reign Jesus Reign
Be thou glorified above this earthly plain
Son of God
And oh so good
In majesty Your kingdom will
For ever
Reign

You are glorious in life
Victorious in death
And I live to sing your praise
Till I exhale my final breath

Then may I soar beyond the sky
And see Your face with my own eyes
In my eternal home
Around the throne
I'll offer up this song

[Chorus]

All hail all hail the power of Jesus name
Let angels let angels let angels prostrate fall

[Chorus]

Reign... Jesus reign
Reign... Forever

And all shall reign forever and ever
Reign
