

Nightmoves

Kurt Elling

The music begins and the tidals fade in
Starring you and me
The hero is struggling to say, that his lady is far away
In her prison of wishes

We're loving, we fight but it's all day for night
Just to masquerade
We're reel till the red light is off, then we go, take our faces off
Like two clowns in a side show

Love is like two dreamers dreaming the exact same dream
Just another Technicolor, role man's on the screen
Love is like two dreamers dreaming the same dream
Just another Technicolor, romance, romance on the screen

Love is like two dreamers dreaming the exact same dream
Just another Technicolor, romance on the screen

I keep you in frame and I whisper your name
Till the picture fades
The feeling is already gone, I don't know why I'm going on
Can't remember the ending

Love is like two dreamers dreaming the exact same dream
Love is like two dreamers
Love is like two dreamers dreaming the exact same dream
Love is like, love is like two dreamers dreaming the exact same dream
