

# Smoke Gets In Your Eyes

Kurt Elling

Yesterday, I thought that love would last  
That love was sent from above  
Yet, today, find my love has flown away  
I am without my love

They ask me how I knew  
My true love was true  
I of course reply  
Something deep inside  
Cannot be denied

They said someday you'll find  
All who love are absolutely blind  
When your heart's on fire  
You must realise  
Smoke gets in your eyes

So I chaffed them  
And I gayly laughed  
That they would doubt my love  
Yet today  
I find my love has flown  
I am without my love

Now laughing friends deride  
Tears I cannot hide  
So I smile and say  
When a lovely flame dies  
Smoke gets in your eyes

So I chaffed them  
And I gayly laughed

That they would doubt my love  
Yet today  
I find my love has flown  
I am without my love

Now laughing friends deride  
Tears I cannot hide  
So I smile and say  
When a lovely flame dies  
Love will leave you  
Crying in your sleep  
Once you're in too deep  
Love will leave lost and lonely  
Love will break your heart

Love will make you fall apart  
The moment that you stop belonging  
Nothing ends the pain  
Tearing you away  
Wondering where you made your big mistake

Wishing on a star  
Promises go far  
Now, she's gone

Never in my wishing did I think of love's pain  
Now, I'll have to think again  
My happy ever ending is for someone else.
