Beautiful Day

Kurt Nilsen

The song started with piano that follow this chord:

The heart is a bloom, shoots up throught the stony ground But there's no room, no space to rent in this town You're out of luck and the reason that you had to care, the traffic is stuck and you're not moving anywhere. You thought you'd found a friend to take you out of this place Someone you could lend a hand in return for grace

It's a beautiful day the sky falls and you feel like It's a beautiful day Don't let i get away

Touch me, take me to that other place Reach me, i know i'm not a hopeless case

What you don't have you don't need it now What you don't know you can feel it someone What you don't have you don't need it now You don't need it now, you don't need it now

Its a beautiful day.....

Outro is the same as intro
