

Kurt Nilsen

Look at my behavior
I can't help myself
One feet before the other
Hope you didn't notice

I'm fourteen days ahead of you
In my head you're already mine
I hope I don't seem
Like the desperate kind

Sometimes I, melt I
I don't know where to put myself
But I'm not alone, 'cause right outside
Still people just falling in love, yeah yeah

I see you're looking
But are you looking my way
I'd like to think so
I can only say

Sometimes I, melt I
I don't know where to put myself
But I'm not alone, 'cause right outside
Still people just falling in love

Some other time, some other place
Well maybe I'll show you my real face

Sometimes I, melt I
I don't know where to put myself
But I'm not alone, 'cause right outside
Still people just falling in love

Sometimes I, melt I
I don't know where to put myself
But I'm not alone, 'cause right outside
Still people just falling in love, yeah
