

Lost In Despair

Kurt Nilsen

Threw a stone
You're surrounded by glass
You need to get out of this place
'Cause it's holding you back

So, baby run
Run like the wind
Look at what you're leaving behind
Nothing more than a hole in the ground

It's too late
There's nothing to hold on to
It's so sad
'Cause everything's shut down

It's too bad
'Cause everything you had was here
You find yourself lost in despair

So take a dive
You're surrounded by water
You need to find peace of mind
It won't kill you if you give it a try

So, baby run
Run like the wind
Look at what you're leaving behind
Nothing more than a hole in the ground

It's too late
There's nothing to hold on to
It's so sad
'Cause everything's shut down

It's too bad
'Cause everything you had was here
You find yourself lost in despair

You find yourself lost in despair
You find yourself lost in
