

Push Push

Kurt Nilsen

You have been so good for me
I will change my ways for you
You can call and I'll come running
You know my feelings are warm and true

Got me wrapped around your finger
I'd surrender it all to you
You've got the power, I've got the need
I hate to say it, I'm down on my knees

So don't YOU!

Push Push, You break me in your stride
Push Push, Don't cut me down, decides
push Push, Please don't roll the dice
Push Push
Push Push

I'll be the angel, I'll be the saint
I'll even walk a thin line for you
You pull my strings I feel the strain
Cut me loose, I will break the chain

Push Push, You break me in your stride
Push Push, Don't cut me down, decides
push Push, Please don't roll the dice
Push Push, Know I'm on your side

Sometimes I'll let you stay away
To reel my own
I brace myself to meet your needs
Thought I'm still on your side.

Push push...

Baby Don't You!

Push Push, You break me in your stride
Push Push, Don't cut me down, decides
push Push, Please don't roll the dice
Push Push, You know I'm on your side

Push Push, You break me in your stride
Push Push, Don't cut me down, decides
push Push, Please don't roll the dice
Push Push, You know I'm on your side
