

I Wanted Everything

Kurt Vile

I wanted everything [x3], but I think that I only got most of it

Lord willing and if the creek don't rise
I'm gonna love ya all the time
I ain't never gonna go to work no more
Kickin and screamin and
alright, I'm goin out the door

I wanted everything [x3], but I think that I only got most of it

Lord willing and if the creek don't rise
I'm gonna sit around til I get wise
I ain't never goin to go work no more
Cos I was an old man and that's all I ever did

I wanted everything [x3], but I think that I only got most of it
