

# I Wanted Everything

Kurt Vile

I wanted everything [x3], but I think that I only got most of it

Lord willing and if the creek don't rise  
I'm gonna love ya all the time  
I ain't never gonna go to work no more  
Kickin and screamin and  
alright, I'm goin out the door

I wanted everything [x3], but I think that I only got most of it

Lord willing and if the creek don't rise  
I'm gonna sit around til I get wise  
I ain't never goin to go work no more  
Cos I was an old man and that's all I ever did

I wanted everything [x3], but I think that I only got most of it
