I'm Chillin'

Kurtis Blow

Chill out! Transformers, born to meet the skies. Transformers, more than meet the eyes. Т-Bone! Go, go, Kurtis Blow y'all. Gimme the bomb! I'm chillin'. Go through it! Dance! Now the next little item that I wanna discuss is the bodysuckin' rappers That must be smokin' dust When you make the kinda records that diss females - frontin' on a story When it's just a tall tale. To diss a female is a lowdown shame, but you suckers make the r ecords 'Cause you wanna get fame. All you radio cats: don't play that crap. Can't you see they're messin' up In all the name of the rap. Now all these years rappers worked so hard to give rapping a na me and all You rappers a job, But now you peasy-head Bboys get me upset when you diss around and cut and Then you just defect. Don't forget LaToya and the real Roxanne. Can't you think of so mething Else, you know what I'm sayin'? But all you MC's just keep on illin'. That's okay, 'cause I'm c hillin'. Transformers - Dance! -- born to meet the skies. I'm chillin'. Gimme the bomb! Now wherever you go I just want you to know that I'm running th e show at Twenty below. So let me tell you what it takes 'cause the others fake, it mus t've been Imitate but those are the breaks. I'm a Leo the Lion, the lion with desire, when I'm rappin' on t he mic I set The world on fire. Devastatin', motivatin', complicatin', perpatratin' rappers who want to be On top. Stop! Can't you see me in trouble bo? It's rockin' the spot, ye ah! And don't you ever forget it trooper! Workin' all day, it's tim e for Superman just to give you a break Along with a gogo band, yes yes y'all. Can't you understand? What's the Name of this jam? I'm chillin'. Get funky. To the bridge! Get ready for it y'all. Get ready baby. Awright y'all. Awright. Here we go y'all. Here I go, here I go y'all. Say what? I said dance! I'm chillin'.
