

# Takin' Care Of Business

Kurtis Blow

They get up every morning  
From the alarm clock's warning  
Take the 8 15 into the city  
There's a whistle up above  
And people push and people shove  
And all the girls  
Who try to look pretty

And if your train's on time  
You can get to work by 9  
And start your slaving job  
To get your pay  
If you ever get annoyed  
Look at me, I'm self-employed  
I love to work at nothing all day

And I've been  
Takin' care of business  
Every day  
Takin' care of business  
Every way  
I've been takin' care of business  
It's all mine  
Takin' care of business  
And working overtime  
Workout

If things were easy as fishing  
You could be a musician  
If you could make sounds  
Loud or mellow  
Get a second hand guitar  
Chances are you'll go far  
If you get in with  
The right bunch of fellows

People see you having fun  
Just a-lying in the sun  
And tell them that  
You like it this way  
It's the work that we avoid  
And we're all self employed  
We love to work at nothing all day

And we've been  
Takin' care of business  
Every day  
Takin' care of business  
Every way  
We've been takin' care of business  
It's all right  
Takin' care of business  
And working overtime

Take good care of my business  
When I'm away  
Everyday

They get up every morning from the alarm clock's warning  
Take the eight-fifteen into the city  
There's a whistle up above and people push and people shove  
And the girls, who try to look pretty  
And if your train's on time you can get to work by nine  
And start your slaving job to get your pay  
If you ever get annoyed look at me I'm self-employed  
I love to work at nothing all day
