

9x's Outta 10

Kurupt

When it stops... 9 times out of 10
It's gon' start again where it started at, ended up
and restart again, get your mind in the right position
before it start again, cause when it drops
9 times out of 10
It's gon' drop again stop watch how the low watch
Flocks flockin in, flocks stop just to see the pops
Watch I'll be there WHEN IT STOPS!
9 times out of 10
It's gon' start again where it started at, ended up
and restart again, get your mind in the right position
before it start again, cause when it drops
9 times out of 10
It's gon' drop again stop watch how the low watch
Flocks flockin in, flocks stop just to see the pops
Watch I'll be in rare motion
Cause I be in rare motion

It's like mushrooms, get it now or pretty soon
Irradiated mushrooms

Irradiate entire rooms
Go bananas, baboons just (STOP!)

Toil turmoil I'll bounce like bungees
You'll get thrown away like scrunchies
Don't talk to me no more about my motherfuckin money!

Run 'em up, runnin up summin up the whole confrontation
Waitin my patience is achin
I sum it up! Comin up is such a wait/weight
The impatient's dumb enough to fuck it up
Look I sum it up, just STOP!

Cause 9 times out of 10
You have to dump again when you gunnin up

Just to keep it all to get some more
to store the pump again, just pop!
