

## Give It Here (The Camel Toe Song)

Kurupt

I'm in the party, grabbing on that ass like give it here, give it here

I'm grabbing on that ass like give it here

I'm in the party, grabbing on that ass like give it here, give it here

I'm grabbing on that ass like give it here

I'm talking to you, you, you, you, you

Walked in, get pursuit and some b2

Walk in, I'm a do what I do do

Bring the freak out of you when you to you

I don't like that, I don't like that

All that attitude, argument and fighting back

I turn a lioness to a pussy cat, hit it once guarantee to bring the pussy back

With a pussy on swol, 20 years old, Filipino, let the leather s how

Love to show me, everything she know

See it from the back, that fat camel toe

See it from the back, that fat camel toe

See it from the back, that fat camel toe

See it from the back, that fat camel toe

Let her see it drop off patron

I'm in the party, grabbing on that ass like give it here, give it here

I'm grabbing on that ass like give it here

I'm in the party, grabbing on that ass like give it here, give it here

I'm grabbing on that ass like give it here

I'm talking to you, you, you, you, you

You, you, you, you, you, fly kit too smooth

You... there I be, in vip, if you latina sipping gina

Beat, beat it on the... say, she make that ass give a round of applause

Clap, clap, clap home run there... knock it out the park, got a chick and I'm a cheat her

But it's all what it is...

Many these bitches be fly, but they come by the flock

Stripping down for sirock, true definition of bobs

I'm from the... 900 if you back it up on me I'm a beat it like I'm drummer ay

Dropping on that ass like give it here, give it here

The big come in kurupt say give it here

Look, so I pass it like Robin Griffin... look

I'm in the party, grabbing on that ass like give it here, give

it here

I'm grabbing on that ass like give it here

I'm in the party, grabbing on that ass like give it here, give it here

I'm grabbing on that ass like give it here

I'm talking to you, you, you, you, you.
