Baboom, alone in my own zone So don't compare me to none

Not one's nearly

Aw veah! Right about now it's time to get busy Huh, straight out the box, nonstop Kurupt the kingpin, xzibit, crooked i (wait a minute, um) This is the art of, manslaughter When i'm rockin' i'm more shockin' than droppin' a boom box in bath water You entered the wrong scuffle You catchin' a chrome buckle I uppercut niggas hard enough to break my own knuckles Deliver the sick verbals My shotty spit a round, before you hit the ground, Your body spin around, in six circles Diminishin' infamous menaces I'm waitin' to get dicced, if not, i'm a start finishin' innocents Lyrics (lyrics), i'm breezin the region Freezin g's in your legion Freakin' ancient techniques when i'm speakin' phoenician It's all about crooked These bitches shout crooked I'll make you say the west coast aint shit without crooked I own a vicious label, niggas'll get disabled When i'm spittin' rhymes written on project kitchen tables I load this 4-5 and let slugs dive at ya Now that's for crooked i, the scrap happy, mic snatcha Motherfuccers can you dig that, huh? Can you fucc with this? Let's get kurupt the kingpin to fucc y'all niggas up Y'all don't wanna see none of this west coast mc shit Yeah, how you like me now motherfucker!?! Terror starts, in the midst of your heart, starts The storm, my vocals float like arts In the mystic state of mind, when i create a rhyme My microphone massacres every year the same time With audio amputations, vocal thoughts of a loud talker Up against the microphone night stalker With a tendency of bashing mcs, like ten of me As you can see i continue mashin' mcs Caboom, the room gets cleared as my views get clearer Extra-terrestrial microphone terror In effect, get infected Tell me what the fucc you expected These venemous injections I leave whole sections, and sections full of injections From these poisenous melodies and selections I select the methods of slow anguish I mangle shit with my language Tell me, have you ever seen one elope With the microphone In a scandal like abilities to make mcs explode

Severe, cuz i severely, impare mcs
Near me, oppose and fear me, i got plots and theories
Sincerely, i could have the spot locked
Niggas get stoned for touching microphones
With no knowledge on how to rock

Yeah, back in effect, it don't stop Turn your speakers up, dj battlecat on the table We fuckin' it up like this and like that, yeah Got my homeboy xzibit in the motherfuccin' house Alkaholiks!

When i was enlisted I came to the table double fisted Sadistic, heavy artillery, for all my enemies Bust shots up in the sky screamin' obsenities Make niggas sport cackies and chucks from hear to italy It'll be, a cold day in hell when you see xzibit fail Act like a bitch on bail, tuck tail, and run See we do it how it can't be done I'm the rough cut, plus how the west was won Or direct descendant of the gatling gun Don't test me son, you fucc around and catch you one That aint a threat, that's a promise i can definitely keep You can't compete wit' 25 niggas wit' heat in the street Ready to repeat, round after after round at you All hell break lose when the whole pound come through I found that you and yours, can never fucc wit' mine I own shit but gimme some more like busta rhymes Cross the line, now you gotta pay the piper I'm the alkaholik sniper, that be keepin' the crowds hyper It's ashes to ashes and dust to dust Can't stop till me and my niggas is platinum plus My dogg kurupt

Yeah, no shit Yeah, y'all can't fucc wit' that

That's what i'm talkin' about
West coast, we been doin' this shit for years
Aint nothin' happenin' wit' that
Battlecat
(don't step up)
Right, right
(don't step up, unles you wanna get hurt)
Huh, huh, huh

(get get get hurt)
Whatcha say
Motherfuccas that be hangin' in the battle
(get hurt, get get get get hurt)
That's what i'm talkin' about
Daz dillinger
(don't step up, unless you wanna get hurt)
Break it down, break it down
Huh

Motherfuccas can't fade this shit
