

All The Words

Kutless

How do I speak of the indescribable to You
I will try to explain these feelings that are true
So looking to the sky I will sing and from my heart to You I bring

All of the words in all of my life that could never explain and
never describe
All of my love, which is nothing to hide so I lift up my hands
and I worship
I worship You

In your presence I forever choose to live
I will praise You for it's all I have to give
So looking to the sky I will sing and from my heart to You I bring

All of the words in all of my life that could never explain and
never describe
All of my love, which is nothing to hide so I lift up my hands
and I worship

By Your grace You let me come talk to You
It's not that I'm worthy I thank you Jesus
For the love that You have shown

All of the words in all of my life that could never explain and
never describe
All of my love, which is nothing to hide so I lift up my hands
and I worship

With all of the words in all of my life that could never explain
and never describe
All of my love, which is nothing to hide so I lift up my hands
and I worship
I worship You
