

All To You

Kutless

I lift my eyes up to You,
Father, healer, friend,
My one desire is to know You, God,
My soul was made for You,
Jesus, I live for You...

I'm Yours, every beat of my heart,
I'm Yours, here to reflect who You are,
I'm desperate for You, desperate for You,
Jesus, I surrender it all..
All to You.

I lift my life up to You,
Creator, savior, friend,
My one desire is to know You, God,
My soul will sing for You,
Jesus, I worship You...

I'm Yours, every beat of my heart,
I'm Yours, here to reflect who You are,
I'm desperate for You, desperate for You,
Jesus, I surrender it all..

Almighty, all glorious,
God upon the throne, we live to worship You alone.
Almighty, all glorious,
God upon the throne, we live to worship You alone, alone..

I'm Yours, every beat of my heart,
I'm Yours, here to reflect who You are,
I'm desperate for You, desperate for You.

I'm Yours, every beat of my heart,
I'm Yours, here to reflect who You are,
I'm desperate for You, desperate for You,
Jesus, I surrender it all
All to You.
