

Finding Who We Are

Kutless

In You we're living
In You we're moving
In You we're finding who we are

In You we're living
In You we're moving
In You we're finding who we are

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You, yes we call on You

In You we're living
In You we're moving
In You we're finding who we are

In You we're living
In You we're moving
In You we're finding who we are

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You, yes we call on You

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You, yes we call on You

We come to worship with our voices
And know the love within Your skies
We lift our hands and seek Your presence
And find ourselves in who You are

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You, yes we call on You

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You, yes we call on You
