

Rest

Kutless

You're my firm foundation, You're my rock. You're my great salvation, when every hope is lost. You're my strong redeemer, You're my friend. And by Your blood, You saved my soul.

I put my trust in You, my strong deliverer. I trust in You, my god. I put my hope in You, You reign forever. My heart will rest in You.

Verse 2

You are all I need, You gave me life. Healed my broken soul, by Your sacrifice. You were crucified by You're alive. Now I sing in victory.

I put my trust in You, my strong deliverer. I trust in You, my god. I put my hope in You, You reign forever. My heart will rest in You.
