

Happy Birthday

Kygo

Beautiful, beautiful, no other name
I knew from the moment you came
I see in your eyes the dawn of a day
Where nothing will ever be the same
Feel my heart beating through my chest
I'll get used to just saying yes
Yes, I'll love you, with all I am
Yes, tonight is where we begin
Ooooooh. I wanna dance with you
Ooooooh. I promise to stand for you
Ooooh Oooooh, I'd do anything for you,
oh yes oh yes
Tonight my love, all I want, I wanna sing for you,
I'll sing for you

Happy Birthday....baby
Happy birthday....to you
Happy birthday....baby
Happy birthday....to you

Wrap you in love for the rest of my days
Pray you find joy through your pain
I can't protect you from every heartbreak
The world isn't easy that way

But I'll be there for you when you call
There to pick you up, when you fall
Yes, I'll love you, with all I am
Yes, tonight is where we begin

Ooooooh. I wanna dance with you
Ooooooh. I promise to stand for you
Ooooh Oooooh, I'd do anything for you, oh yes
oh yes
Tonight my love, all I want, I wanna sing for you,
I'll sing for you

Happy Birthday....baby
Happy birthday....to you
Happy birthday....baby
Happy birthday....to you
