

I Don't Hate You

Kyla La Grange

Take me too far in skies
Not like I know you
Too much to see inside
These things will own you
Poor guide your other's eye
Come here and touch me
Bind down and say goodbye
You'll take it upset

Uuuh uuuh
Uuuh uuuh

Not have the truth despise
You can not catch me
Ten people laid their side
They could not match you
Forever and ever time, a thousands I
Together seven times
Having car crashing

Uuuh uuuh
So what do you do when you are alone
There's no one there to see your strength
And who do you tell where you buried the bones
When no one's gonna make you pay?!
Oh I don't hate you,
Do you really think that's true?!
I'm not one of your mistakes!

One night you open wide
One hold to think through
One fear to climb inside
One heart to split you
Tell me your love has died
You can not wait to
Hide in inside your sight
Waiting to break in

Uuuh uuuh
So what do you do when you are alone
There's no one there to see your strength
And who do you tell where you buried the bones,
When no one's gonna make you pay?!
Oh I don't hate you,
Do you really think that's true?!
I'm not one of your mistakes!

Said I don't hate you!
Said I don't hate you!
Said I don't hate you!
Said I don't hate you!

So what do you do when you are alone
There's no one there to see your strength
And who do you tell where you buried the bones
When no one's gonna make you pay
Oh I don't hate you,

Do you really think that's true?!
I'm not one of your mistakes!
