Baby you need to leave cause I'm getting drunk on your noble deeds It doesn't matter that they don't get done when I feel this cold they're like the fucking sun

Baby I need a friend but I'm a vampire smile, you'll meet a sticky end I'm here trying not to bite your neck but it's beautiful and I'm gonna get

so drunk on you and kill your friends.
You'll need me and we can be obsessed
And I can touch your hair and taste your skin
the ghosts won't matter 'cause we'll hide in sin

Baby you have a choice cause you burn my ears with your magic voice I'm a paper doll, you can tear me up We'll be the broken lovers with the poison cup And we'll draw in breaths like we don't have air Oh god, look at me, don't you ever care that I'm dying in the cupboard underneath the stairs? Steps stamp on above my head

Baby you're cruel to me but you see I love it when you make me plead I want a scar that looks just like you 'till then I gotta learn to be a wiser fool

Baby you need to leave and I know you know that's why you keep ignoring me because if you don't gonna run me down, let myself go
