Because Of You

If ever you wondered if you touched my soul, yes you do Since I met you I'm not the same You bring life to everything I do Just the way you said hello With one touch I can't let go Never thought I'd fall in love with you

CHORUS Because of you, my life has changed Thank you for the love and joy you bring Because of you, I feel no shame I'll tell the world it's because of you

Sometimes I get lonely and all I gotta do is think of you You captured somethin' inside of me You make all my dreams come true It's not enough that you love me for me You reached inside and touched me internally I love you best explains how I feel for you

CHORUS Because of you, my life has changed Thank you for the love and joy you bring Because of you, I feel no shame I'll tell the world it's because of you

My life has changed Thank you for the love and joy you bring Because of you, I feel no shame I'll tell the world it's because of you

BRIDGE

The magic in your eyes True love I can't deny When you hold me I just lose control I want you to know that I'm never letting go You mean so much to me, I want the world to see It's because of you

CHORUS

Because of you, my life has changed Thank you for the love and joy you bring Because of you, I feel no shame I'll tell the world it's because of you

My life has changed Thank you for the love and joy you bring Because of you, I feel no shame I'll tell the world it's because of you
