

If The Feeling Is Gone

Kyla

if the feeling is gone
please don't pretend
that you still love me
i can see it in your eyes
and it hurts to admit
i can tell that the feeling is gone

all I ask is just a little honesty
though I know that you're not
coming back to me
you know I'll do anything to
make you stay
but I just have to let you know
if the feeling is gone

there's a sadness in your smile
though I try to conceive it
I can tell if the feeling is gone

all I ask is just a little honesty
though I know that you're not
coming back to me
you know I'll do anything to
make you stay
but I just have to let you know
if the feeling is gone

all I ask is just a little honesty
though I know that you're not
coming back to me

you know I'll do anything to
make you stay
but I just have to let you go

I just have to let you go
I just have to let you go
if the feeling is gone

stay..
