

Without You

Kyla

VERSE 1

It feels like a lifetime,
A thousand days have passed by
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with me

CHORUS

Heaven knows what to say
Even though for right now
you're so far away
I hope and I pray
Somewhere in your heart I'll always stay
Girl, lately
my sun doesn't shine without you
Never noticed
what it feels like to be without you
Feels like I took my last step
And my last breath and my life ended
Had to say just what I was feeling, girl
'Cause my sun doesn't shine,
Sun doesn't shine without you

VERSE 2

This is more for me than for you
Girl, I finally see there's no substitute
For what we have
Do you know how much I love you?
And what we've shared
I can't forget
Girl, a love like yours
I'll never let just slip away
Just promise me that you'll stay

CHORUS

Heaven knows what to say
Even though for right now you're so far away
Gonna tell you and show you
Do whatever I can do to get back to you
Girl, lately
my sun doesn't shine without you
Never noticed
what it feels like to be without you
Feels like I took my last step
And my last breath in my life ending
Had to say just what I was feeling, girl
'Cause my sun doesn't shine,
Sun doesn't shine...

BRIDGE

Have you ever seen a flower that never blooms

See a starless night without the moon
Well that's me without you
So come back and turn my night into day...
...cause lately,
my sun doesn't shine without you...

Cause my sun doesn't shine,
Sun doesn't shine without
you
